

EXECUTIVE CONDOMINIUM, REDEFINED.

Once in a rare while comes an EC of this calibre.
Novo Place raises every expectation of a luxury EC,
and elevates living to new levels of luxury and comfort.
Welcome home.

LIVE THE LUSH LIFE ON A WHOLE NEW LEVEL.

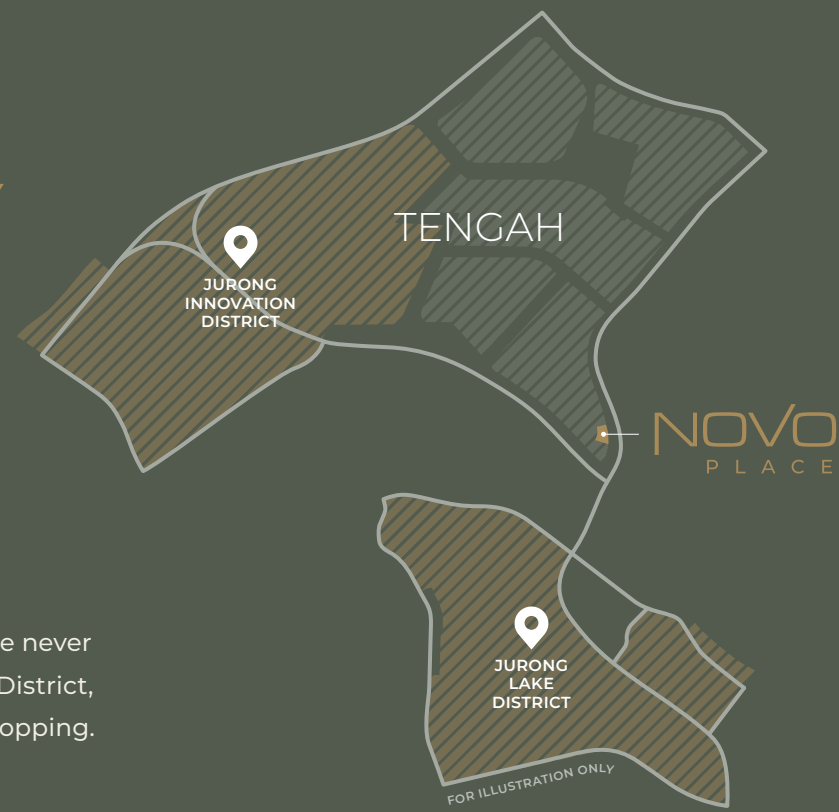

In Tengah's serene Plantation District, Novo Place is a verdant oasis of contemporary luxury, just a four-minute walk to the upcoming Tengah Park MRT station.

Enjoy all the positives of living in Singapore's first smart and sustainable town. And all the possibilities of vibrant Jurong a short drive away.

NEW JURONG. YOUR GATEWAY TO NEW WAYS TO LIVE, WORK AND PLAY.

Green, smart and cutting-edge, Jurong is being transformed like never before. Whether it's Jurong Lake District or Jurong Innovation District, discover fresh opportunities for work, recreation, dining and shopping.

JURONG LAKE DISTRICT

Singapore's largest mixed-use business district outside of the city centre, designed for business and leisure. With 120 hectares of new space for businesses to scale and grow, it is slated to create over 100,000 new jobs. In addition, future mixed-use developments will connect the existing Jurong East MRT station to the upcoming Cross Island Line station.

This is also a district of beautiful parks, gardens and waterways.

NATURE AT YOUR DOORSTEP

Jurong Lake District is your little Eden with 90 hectares of parks and open spaces. There are 17km of waterfront trails for walking and cycling. And even restored wetlands for birdwatching at Jurong Lake Gardens.

LEISURE ON A NEW LEVEL

With retail favourites like Westgate, Jem and IMM, you're spoilt for choice. You can also expect next-level entertainment such as exciting learning adventures at the new Science Centre.

JURONG INNOVATION DISTRICT

Set to transform Singapore's advanced manufacturing landscape, the future is already here at Jurong Innovation District. And it is green and bright, with 95,000 new jobs at your doorstep.

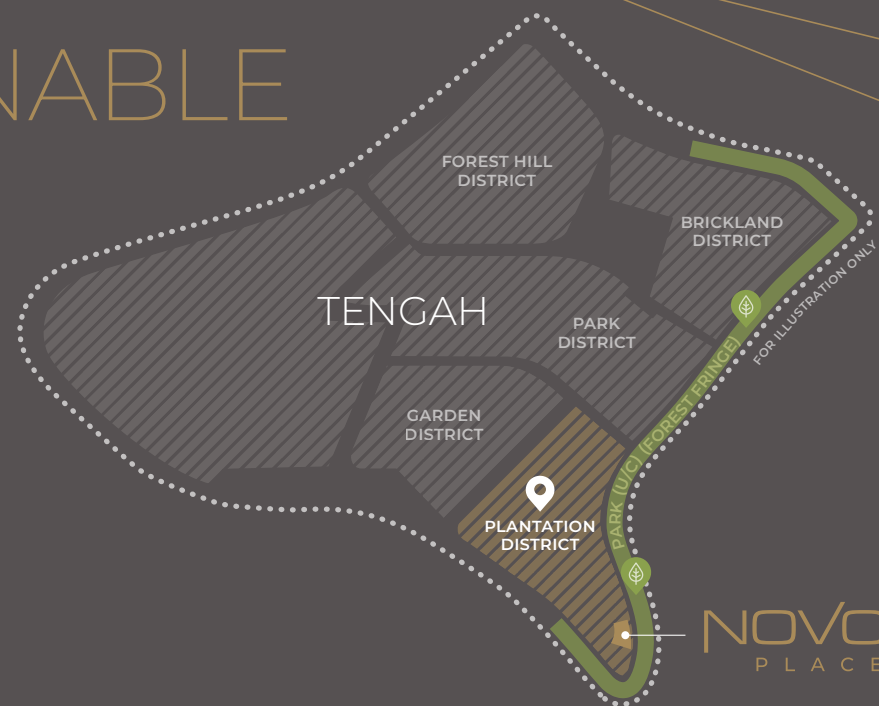

NEW TENGAH. THE SMART AND SUSTAINABLE TOWN.

With green living, smart technology and spaces designed to bring communities together, Tengah is leading the pace for future precincts. Novo Place is located at Plantation District, home to community farming at Plantation Farmway. Here, you can grow your own produce or buy fresh from its farmers' markets.

NATURE'S NURTURE

Calming green spaces abound, including a beautiful Forest Fringe alongside Novo Place that gives you a naturally cooling 'forest at your doorstep' experience. It also connects you to the Forest Corridor, linking you to an even larger green network.

WELL-CONNECTED

You're a four-minute walk to the upcoming Tengah Park MRT station on the future Jurong Region Line and just a mere three MRT stops to Jurong East. And if you're planning to drive, the Pan Island Expressway (PIE) is easily accessible nearby. You'll also be delighted to know that getting around couldn't be easier or more environmentally friendly with green connectors as well as walking and cycling paths throughout Tengah.

NEAR GOOD SCHOOLS

You're close to good schools covering all stages of education. Not only is Princess Elizabeth Primary School within 1km and the future Anglo-Chinese School (Primary) within 2km, Nanyang Technological University (NTU) is nearby, too.

EVERYTHING YOU NEED CLOSE BY

Enjoy the convenience of Tengah's first neighbourhood centre, Plantation Plaza, minutes from you. Or head to the future Tengah Town Centre for more shopping, dining and leisure options including a sports centre. Familiar favourites like Bukit Batok West Shopping Centre, Yuhua Village Market & Food Centre and West Mall are a short bus or MRT ride away.
